

Cinderella

Alchemy, Magic & Transformation
with Eva Rider M.A.

(A Marion Woodman Community® Workshop)

This is an invitation to come and play together...

With this 3rd workshop in our journeys through myth and fairy tale, we turn to the classic tale of "Cinderella" to delve into the 3-fold process of alchemical transmutation that begins with a disintegration of self we must shed, an incubation and the emergence of the radiant Self we are destined to be. Imagination is our magic wand as we step out of the old skin and join the dance in a golden gown of light wherein embodied soul reunites with the Divine.

Friday, July 12, 7 to 9pm & Saturday, July 13, 12 to 6pm

all materials, snacks and follow-up integration meeting. Cost \$210
